**LIGHTHEADED™**  
Obsessed with Light

Change trims, optics,  
and lenses without  
skipping a beat. These  
3" luminaires are an  
engineering masterpiece.

With magnetically  
interchangeable trims  
they let you make changes  
as quickly as; a-one, and  
a-two, and a-three.

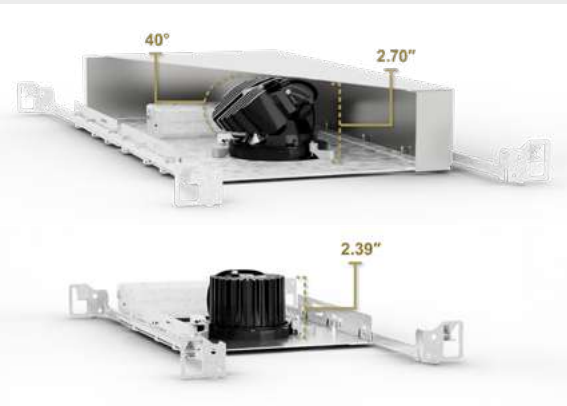

# Oous Eco™

by Lightheaded

These streamlined 3" downlights come complete with all the lighting options you'd expect from a Lightheaded product. Don't even think about sacrificing output, warm dimming, or certifications when specifying these simply designed, budget-friendly, luminaires.

# Purist™

by LIGHTHEADED

These 2" downlights combine superior performance and low glare in a timeless design. With versatile light, beam, adjustability, and finish options they present incredible value, pure and simple.

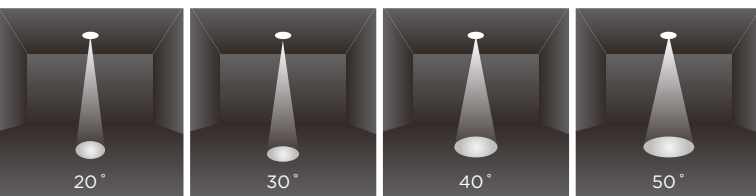

Our 1" Minno™  
downlights deliver 1000  
lumens of superior  
performance in a low  
glare timeless design.

#### 1" DOWNLIGHT

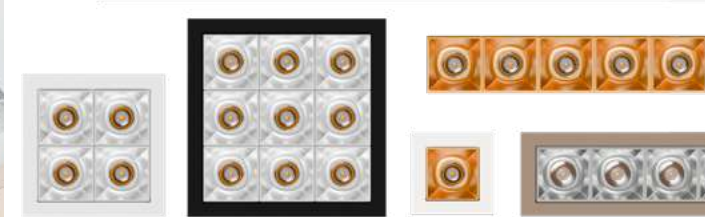

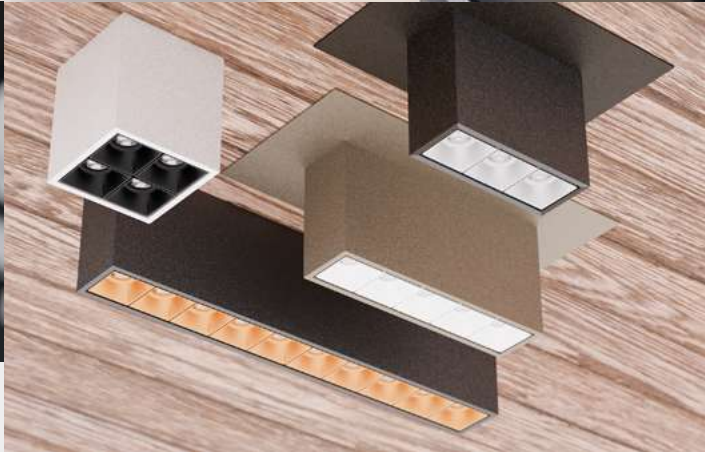

# MINIMALIST™

No biggie. Our 1" range of low glare, micro downlights provide superior performance in an incredibly small, sleek package.

Available in fixed, adjustable, wall wash, surface, and pendant in select 1, 3, 5, 10 & 15, 2x2, and 3x3 lamp configurations.

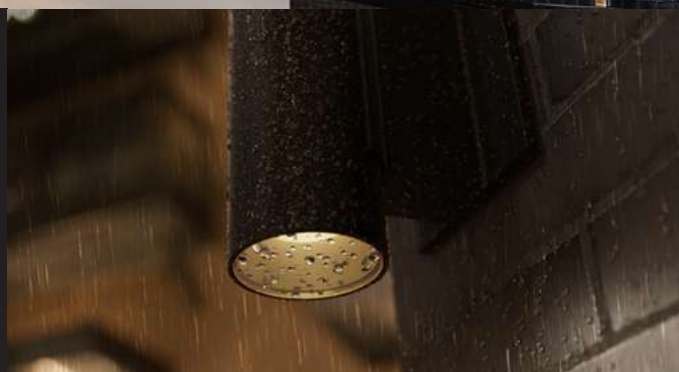

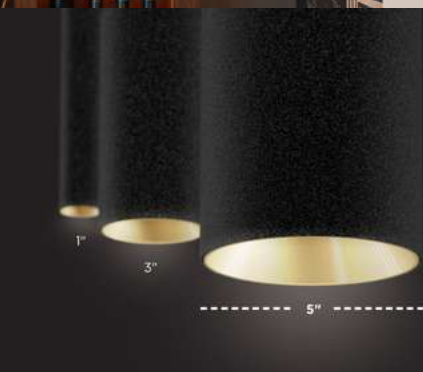

# LED PIPE™

## CYLINDERS

Integrate among open ceiling concepts and solve your lighting problems. These 1", 3", and 5" select Fixed and Adjustable Pendant, Surface, and Wall Mount cylinders provide limitless lighting solutions for any open ceiling space.
