WORK WITH THE SPEED OF LIGHT

Acolyte provides superior architectural LED lighting solutions around the world. Meeting a customer's needs is at the core of our business, and we take pride in the quality custom work we do in our shop. But if you need raw materials and you need them quick, we can do that too.

Introducing Rapid Ribbon 95+ by Acolyte. When you need to do the work yourself, you'll want to use the best products. With that in mind, we've developed two new do-it-yourself 24V LED ribbons for accent lighting: Rapid Ribbon 95+ and Rapid Ribbon RGBW.

Manufactured at our state-of-the-art factory in Europe, Rapid Ribbon 95+ offers Static White LEDs at 95+ CRI, so your lighting will let you see colors as they're meant to be seen. We've paired this amazing ribbon with Rapid Ribbon RGBW, which will let you design your lighting with any color you can imagine.

All our uncut reels of dimmable high-CRI or RGBW ribbon are ready to ship, so you can get quickly to work.

Sometimes you need to move fast. Sometimes you need to work with the speed of light.
